Cover Information

Pictured clockwise from upper left are Fort Hays State's four all-America candidates:

Steve Crosby, Pawnee Rock senior, was all-NAIA District 10 and all-GPAC honorable mention last year. A powerful tailback, Crosby is an all-around athlete and is a definite pro prospect.

Bruce Hawley, Phillipsburg senior, was the GPAC's passing and total offense leader a year ago. A versatile quarterback, Hawley is stronger than last season and is a good runner as well as a passer.

J. D. Armstrong, Liberal senior, led the team in defensive statistics last season. At his linebacker position, Armstrong is the main cog in the defense and can get the unit fired up and going when things are looking bad.

Lewis Kasselmann, Ellinwood senior, will head the defensive line from his new spot at nose guard. Kasselmann is a hard worker who will be relied on heavily in the defensive realignment.

FHS Head Football Coach Bill Giles

Bill Giles starts the second year of his rebuilding program at Fort Hays State with the prospects of putting together a winning team looking much better.

Giles and his staff hit the recruiting road during the off-season and came back with a promising group of freshmen and junior college transfers to go along with the 20 returning lettermen.

Prior to taking over the Tiger helm last year, Giles coached four years at Chadron State College, compiling a 27-18 record and giving Chadron four consecutive winning seasons for the first time in 20 years. Before coaching at Chadron, Giles coached high school football for four years with a mark of 25-11. He then was line coach at Kearney State College, before moving to Eastern New Mexico University where he held the head baseball job and interior line coaching position. The following year he accepted a position at Hiram Scott College for one year and then moved to Chadron.

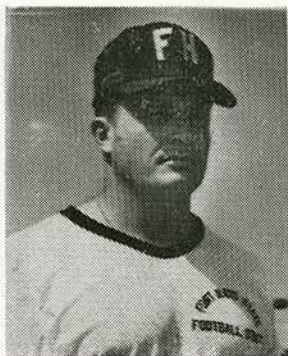

Giles was a stand-out all-around athlete at Alliance, Neb. High School and a two-sport letterman (football and baseball) while at the University of Nebraska. He was starting end on the NU Orange Bowl team of 1955 and won all-district and all-American honors as a first baseman that year. His .460 batting average led what was then the Big Seven Conference in 1955. He was signed to a professional contract by Joe Gordon and played one year in the California State League.

"Our biggest concern is with our own people," Giles notes, explaining his emphasis during practice sessions. "If we get our squad to playing good football, we'll have a chance at beating everyone on our schedule."

Giles' family includes his wife, Joan and their four children Kim, 17; Billy, 14; Doug, 11 and Kerri, 9.

He is a member of numerous professional organizations and upon his arrival at Fort Hays State, helped found the local chapter of Fellowship of Christian Athletes.

Defensive Coach Jerry Cullen

Jerry Cullen is in his second year on the Fort Hays State coaching staff after also coming from Chadron State College. He previously coached at Arvada West High School, Arvada, Colo., and St. Procopius College, Chicago, Ill.

Cullen received his bachelor's degree from the University of Northern Colorado in 1965 and his master's in Physical Education from Chadron State College in 1970.

He lettered in football four years and three years in track while at UNC. He was selected Most Valuable Football Player at UNC in 1964 while capturing the Rocky Mountain Athletic Conference rushing title.

Cullen will be in charge of the defensive secondary, offensive running backs as well as coordinating the entire defense in 1973.

Line Coach Barry Allen

Barry Allen returns for his second year on the Fort Hays State coaching staff while also handling the duties of head wrestling coach. Before coming to the Tigers, he held coaching positions at Lanark High School, Lanark, Ill., Lincoln High School, Lincoln, Ill., Northern Illinois University, DeKalb, Ill., and Kearney State College.

Allen received his bachelor's degree from Bradley University, Peoria, Ill., in 1963 and his master's at Northern Illinois University in 1967.

In 1962 he was chosen by "LOOK" magazine as honorable mention all-America in a pre-season poll. He was selected team captain of the football team his senior year at Bradley.

Allen will concentrate on coaching the offensive line, defensive line and kicking game this year for the Tigers.

Adm.

Assistant

Ed

McNeil

Ed McNeil takes over new duties as an administrative assistant on the football staff this year after 16 years of coaching on the field. He will combine his football chores with the job of head gymnastics coach.

Under his guidance, the FHS gymnastics program has grown to national prominence. Last year the squad compiled an 11-1 record, the best in Tiger history.

McNeil first came to FHS in 1957 after stints as assistant football coach at College of Emporia and the University of North Dakota. He earned his B.S. at Kansas State University in 1949 and his M.S. from the same institution in 1950. A four-year letterman at Kansas State, he was named honorable mention All-America as a tackle his senior year. McNeil earned his Ed.S. at Fort Hays State in 1967.

Student Assistants

BRUCE BRUCE—

Bruce Bruce will again be part of the Fort Hays State football program when he returns this fall as a student assistant. Bruce transferred to FHS in 1971 after playing at College of Emporia and serving in the U.S. Army.

A native of Pittsburgh, Pa., he was all-KCAC at C of E in 1966 and lettered the last two years at FHS as a defensive tackle. Bruce will assist in all areas and will work a great deal with the freshmen.

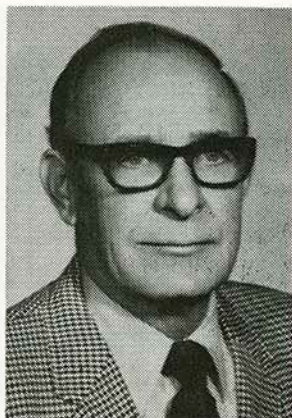

RICK DORAN—

Rick Doran returns again this year to help with coaching after lettering three years for the Tigers. Doran was a regular on the offensive line his final three seasons.

He also lettered in wrestling in each of his four years at Fort Hays State and gained all-America honors as a senior by nabbing a sixth place finish in the NAIA National Championships.

Doran was a stand-out in wrestling and football during his high school years at Harlan, Iowa. He will also work largely with the freshmen as well as helping out wherever he is needed.

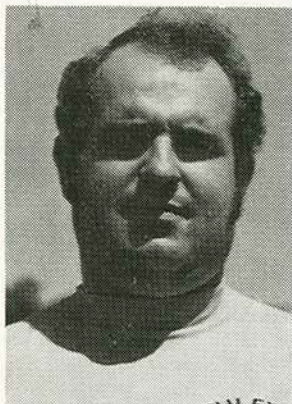

Athletic Director Cade Suran

Cade Suran starts his ninth year as Athletic Director at FHS after spending 19 years as the Tiger head basketball coach. In those 19 seasons, Suran rolled up 264 wins against only 151 losses for a winning percentage of 63.6.

Suran's Tiger cage teams won CIC championships in 1950, 1959, 1962 and 1963. They also won the NAIA District 10 (All-Kansas) titles in 1959, 1962 and 1963. The 1959 and 1963 teams both made it as far as fourth place in the NAIA tournament of champions.

Suran earned his A.B. at Kansas Wesleyan University in 1934 and his M.S. at Fort Hays State in 1950. He coached high school basketball at Harlan, Downs and Wellington before coming to FHS in 1946.

Athletic Trainer Steve Antonopulos

Steve Antonopulos becomes the new athletic trainer at Fort Hays State this fall.

He received his bachelor's degree from the University of Northern Colorado in 1972 and his master's there in 1973. He served as a graduate assistant at UNC last year and also worked as a trainer in the Greeley City High Schools.

In addition to being head trainer for all FHS varsity sports, Antonopulos is also responsible for teaching health and first aid classes.

1973 Forecast

General Outlook:

Head Coach Bill Giles enters the 1973 season with a 76-man squad including 20 lettermen of which 15 were regular starters last fall.

"We can't do anything but look better than we did last year," Giles commented, reflecting the 1-8-1 record of a year ago. "If we get our squad to playing good football, we'll have a chance at beating everyone on our schedule."

Giles feels the Tiger team is greatly improved over last year although the majority of players are sophomores and freshmen. Only 10 members of the squad are seniors while 14 juniors, 22 sophomores and 30 freshmen are listed on this year's roster.

Strong Points:

Highlighting this year's squad are four all-America prospects. The four seniors include Steve Crosby, tailback from Pawnee Rock; J. D. Armstrong, linebacker from Liberal; Bruce Hawley, quarterback from Phillipsburg; and Lewis Kasselmann, nose guard from Ellinwood.

Both Crosby and Hawley ranked high in Great Plains Athletic Conference statistics last season. Crosby was third in tandem offense, rushing and scoring; second in the all-purpose category; and fourth in kick-off returns. Hawley finished the 1972 season first in passing and total offense.

According to Giles, "Armstrong is one of the best linebackers in the conference." Referring to Kasselmann, "I think the nose guard position was made for Lew. He has good quickness and strength," the head mentor noted.

Weak Spots:

Via the graduation route, FHS lost 13 lettermen, including two top offensive players. Split end John Woodworth and fullback Ken Zeigler carried most of the offensive load for the Tigers in 1972. Woodworth was first in the GPAC and 13th in the NAIA for his pass receiving efforts.

"We don't know if we have the people on our squad to take the place of Woodworth and Zeigler," Giles pointed out.

Overall Analysis:

"We feel we're greatly improved over last season," Giles explained. "Our offensive line is stronger than last year and our strongest point on defense is the returning people at down lineman positions."

"Our offense depends upon getting the ball to our tailback," he commented. "We are primarily a running team, but we also know that we have to throw the ball well in order to compete."

GPAC History

The Great Plains Athletic Conference, now in its second year of existence, is comprised of six former member schools of the old Rocky Mountain Athletic Conference. The old RMAC is now known as the Mountain and Plains Intercollegiate Athletic Association, with the Plains Division being the GPAC and the Mountain Division retaining the RMAC name.

Both conferences operate under the direction of Commissioner Harry B. (Doc) Kniseley. The commissioner's office is located in Denver at 1423 South Garfield (telephone 303-757-6311, zip code: 80210).

The only real difference between the re-organized set-up and the old is that winners in the two conferences do not play for an overall title as they did in the division set-up, and sports involving conference meets (wrestling, track, etc.) no longer involve all the schools of the old RMAC.

The main cause for the reorganization was the growing expense of running college athletic programs. The travel involved in the RMAC was causing expenses that were beyond the means of most member schools.

FHS Information

Fort Hays Kansas State College marked its 71st birthday in June. The institution is a tax-supported liberal and applied arts college, established and maintained by the state.

The college opened June 23, 1902, with 34 students, two faculty members and 19 courses. For two years the college held its sessions in two old Fort Hays buildings on the fort grounds.

The institution has grown to its present enrollment of an estimated 4,800 students, with more than 800 courses and about 250 faculty members.

The campus is located immediately to the southwest of the city limits of Hays, on Big Creek, which wanders through the campus. The campus proper consists of about 80 acres, while all of the college land totals 4,160 acres.

FHS Sports Complex

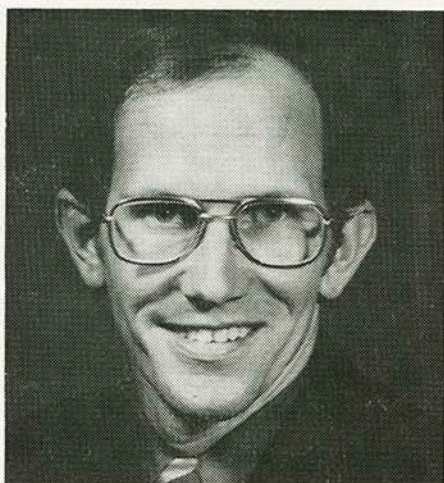

A new addition to the Fort Hays State campus and the athletic program is a sports complex which contains M. C. Cunningham Hall and Paul B. Gross Memorial Coliseum.

Cunningham Hall is named for former FHS President Dr. Morton Christy Cunningham and is the health, physical education and recreation half of the complex. It contains classrooms, offices, four gymnasiums, eight handball courts, an NCAA-size swimming pool, a gymnastics room, lockers, showers and additional instructional facilities.

The Paul (Busch) Gross Memorial Coliseum is named for the long-time basketball coach and athletic director at FHS. Seating approximately 7,000 for basketball and 10,000 for entertainment events, the Coliseum is too real to be believed by many who have fought the battle for a seat in Sheridan Coliseum.

A pro-turf playing surface covers the floor of the Coliseum and a major attraction is the six-lane indoor track. Adjacent to the main arena are a wrestling room, spacious locker rooms and adequate space for an athletic trainer.
